

To help offset National Show class fees, youth exhibitors will have the opportunity to earn \$5 credit towards their total class fees for every \$50 raised in sponsorships.

Any credits received will be taken off the stated price when paid (i.e. if postmarked March 1<sup>st</sup>, credits will be applied to Early Entry Fees. If paid on March 2<sup>nd</sup> credits will be applied to regular Entry Fees. "Paid by" date will be the postmark date.)

Any youth sponsorship money received must be submitted by the exhibitor, not the donor, using the Youth Sponsorship Form. Complete as many forms as needed. Here's a sample:

SPONSOR/DONOR NAME	AMOUNT	EXHIBITOR RECEIVING CREDIT
Jane Doe	\$150	Missy Ryder
John Doe, Jr.	\$25	Missy Ryder
John Doe, Sr.	\$75	Missy Ryder
Suzy Cue	\$75	Sissy Walker
<b>TOTAL \$ ENCLOSED</b>	\$325	
Divide the enclosed total by 50 (\$325/50 = 6.5)	6.5	
If result is not an even number, round down to the nearest whole number.	6	
Multiply the result by 5.	x 5	
<b>This is the amount of your CLASS FEE CREDIT</b>	\$30	

Class fee credit will be given when sponsorship monies are received by the Show Secretary. Youth Sponsorship Forms received without funds will not entitle the exhibitor to any credit until sponsorship money is received.

There is no limit to the amount of sponsorships that may be applied to a youth exhibitor's class fees, however, if credits total above and beyond what the exhibitor owes in class fees, no refund will be given. Credits may be transferred to a fellow exhibitor as instructed in writing by the exhibitor securing the sponsorship.

**Completed Youth Sponsorship Form and monies (checks made payable to AHR National Show) must be postmarked by May 1, 2018 to guarantee donor's name will be included in print.** Sponsorships received after May 1, 2018 cannot be guaranteed print inclusion.

Youth Sponsorship Forms with monies may be sent with show entries or in a separate mailing to:

Jessica Hanney, Show Secretary, 10691 Sayers Road, Munith, MI 49259

SPONSOR/DONOR NAME	AMOUNT	EXHIBITOR RECEIVING CREDIT
<b>TOTAL \$ ENCLOSED</b>		
Divide the enclosed total by 50 (\$325/50 = 6.5)		
If result is not even, round down to the nearest whole number.		
Multiply the result by 5.	x 5
